

Word from a Childlike Heart

Fall 2014 Edition
Volume 1, Issue 2

“Setting the stage for biblical training & individual achievement”

Welcome!

Thank you for taking the time to visit us online and read our newsletter.

A lot of exciting things have happened with our ministry since the publication of our summer edition. Our goal is to keep you informed on what we are up to.

A Time of Thanksgiving

This is the time of year when it's easy to get caught up with the commercial definition of the holiday season. But let this be a time when you express gratitude, especially to God. There are so many ways you can do so.

- Reflect on the blessings in your life.
- Pay attention to the many ways God shows up in your life every day.
- Appreciate the genuine people God has placed around you.

It is our prayer that the year ends on a pleasant note and the New Year brings bountiful blessings. May God bless you!

New Look & Feel for 2015

Our new website will contain enhanced features and new development with the modern parent-child team in mind. One of the exciting changes is the addition of our Parent Pointers. We are overjoyed to partner with wonderful parents who are willing to provide their expertise to help others succeed in childrearing. Our site is easy to navigate; and we wanted to create a website that provided great content and resources for our audience. We look forward to keeping our media resources up-to-date.

Would you like to be a Parent Pointer?

We are confident that parents strive to raise strong Christian children in a troubled world. The Parent Pointer section of our site is designed to do just that – empower each other to train up our children (Proverbs 22:6)! With incredible information, we want to positively impact our families.

We plan to accomplish the following three goals:

Parent Pointers

We are seeking parents to partner with to start our online community. The topic for discussions will center around parenthood.
