About Us

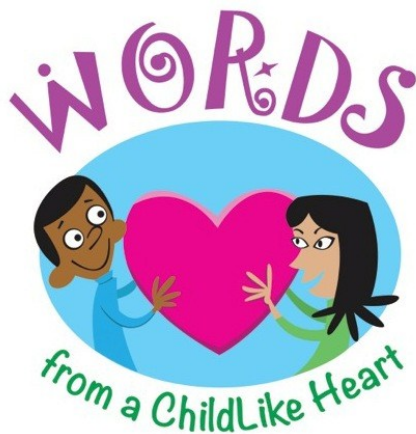

*“Train up a child in the way he should go: and when he is old, he will not depart from it”
(Proverbs 22:6).*

Welcome! We are a Support Group Environment where the family system is impacted as parents and kids learn and grow together in God’s Word.

Instructional learning takes place at home, but we unite to share what we know.

Highlight

Welcome! My name is Grace Malinder. I'm excited to be part of this new adventure, Words from a Childlike Heart, to raise children in the light of God. I have two small children, Connor age 6, and Elena age 4. They are two loving children who live life to the fullest. We have been blessed beyond measure with their presence in our lives. I encourage you to join our journey, as we fill our childrens' souls with the food that their spirits seek, the word of God.

"You see that a person is considered righteous by what they do and not by faith alone." (James 2:24)
